Prayer/Pledge Jack Steed

Minutes Mark Byrd

Larry Harper gave motion to approve Pat Bartness 2nd and motion to approve passed.

Financials Childs/Mathis

Megan Smith gave motion to approve Larry Harper 2nd motion passed.

MC-12 Debrief Col David Southerland, VC 78th ABW

Col Southerland reported that the MC-12 survey team gave RAFB "feasible" rating which means we can accommodate the entire mission. He indicated the mission could be "split" between two bases as there are two squadrons. The final two bases should be revealed in August with the final decision on basing in March of 2011.

Special Award

Jack Steed

Jack presented an appreciation award from 21 CP to Renee Beringer

AFMC WRALC/DPRM

Executive Director Report

MaryTherese Tebbe

Tebbe updated the MC-12 Site survey welcome reception/ 1ST annual Robins regional Progress Report/ NASA recruiting effort with Personnel from RAFB

BOSA Report

Rick Goddard

Rick Goddard explained that he and Ron Smith were at the SR Leadership off site visit a few weeks earlier and discussed "perception" issues with Robins. He also offered up a document that explains the future cuts in the DoD and pointed out areas of concern.
